## INFINITY collection

Expression of fine elegance, value that is passed down through time, a symbol of precious things such as: the shiny polyester Brazilian Makoré, Murano's chandeliers and vases, refined details highlighted by gold accents. Precious fabrics, first quality nubuck leather and ceramics complete the INFINITY collection as a new, contemporary status symbol. The fusion of all these elements with the addition of pieces of art inhabits a sophisticated and elegant atmosphere. We want to surprise and fascinate, once again and show GIORGIO Collection's unique and exclusive style all over the world.
