Anodine Floor

Anodine Floor è una lampada da terra che trasforma la luce in una scultura attraverso il richiamo al concetto di "forma non forma" stilizzata della luce, arricchendo con una nota artistica d'eccellenza l'ambiente. È composta da 13 lunghi steli in ottone lucido ancorati ad una base metallica quadrata, alcuni vengono decorati da foglie in metallo realizzate asimmetricamente a mano da esperti artigiani e decorate con finitura oro opaco satinato. La base è in finitura oro opaco satinato. Perfetta in coppia per creare la giusta simmetria nello spazio. La preziosità della lavorazione artigianale rende ogni pezzo della collezione unico nel suo genere.

Anodine Floor is a free-standing lamp that transforms light into a sculpture evoking the concept of the "shape non-shape" light, which adds an artistic touch to the ambience. It comprises 13 shiny brass stems anchored to a square metal base finished "matt gold", some decorated with metal leaves, all asymmetrical and hand-made by expert artisans, with a matt gold satin finish. Perfect as a couple to create the right symmetry in the room. Thanks to hand-made manufacturing techniques, each piece of the collection is unique.

Origami Wall

Una bellezza sottile, una luce piena e mai invadente che illumina l'ambiente evocando atmosfere lontane. La lampada a parete Origami, si contraddistingue per il tratto contemporaneo e longilineo delle sue singole componenti formate ognuna da due elementi: la struttura in doppia finitura, oro opaco satinato e nero opaco, viene attraversata da un'asta in ottone contenente la sorgente di luce a led. Combinati tra loro, i raggi formano un ventaglio di luce che anima lo spazio donando movimento alla parete. La particolarità del suo design, permette ad Origami di dare vita a molteplici composizioni grafiche, rivelando il suo carattere fortemente decorativo, anche a luci spente.

A subtle beauty, a full and never intrusive light that illuminates the room, evoking distant atmospheres. The Origami wall lamp is characterised by the contemporary and long-linear design of its individual components, each consisting of two elements: the structure in a double finish, satin matt gold and matt black, is crossed by a brass rod containing the led light source. Combined, the beams form a fan of light that animates the space, giving movement to the wall. The uniqueness of its design allows Origami to create multiple graphic compositions, revealing its highly decorative character, even when the lights are off.

The diffuser is made up of overlapping elements in transparent borosilicate glass or hand-glazed Sicilian ceramic. In the center, a tubular body in perforated steel with a champagne-colored finish protects the IP67 LED source, is resistant to water and external agents.

Manta Suspension

Manta è una scenografica lampada a sospensione che per la sua eterea leggerezza ricorda gli iconici Mobile di Alexander Calder. Il corpo illuminante con sorgente a LED incapsulata in una struttura cilindrica in ottone satinato è una foglia in vetro color ambra, forgiata a mano dai maestri vetrai di Murano. Ha una forma delicata e sinuosa e il lampadario sembra volare, grazie alle piccole foglie che volteggiano nell'aria, legate a sottilissimi cavi di sospensione.

Su richiesta ogni pendente viene fornito di una rosetta contenente il driver per il posizionamento a soffitto.

Joy Suspension

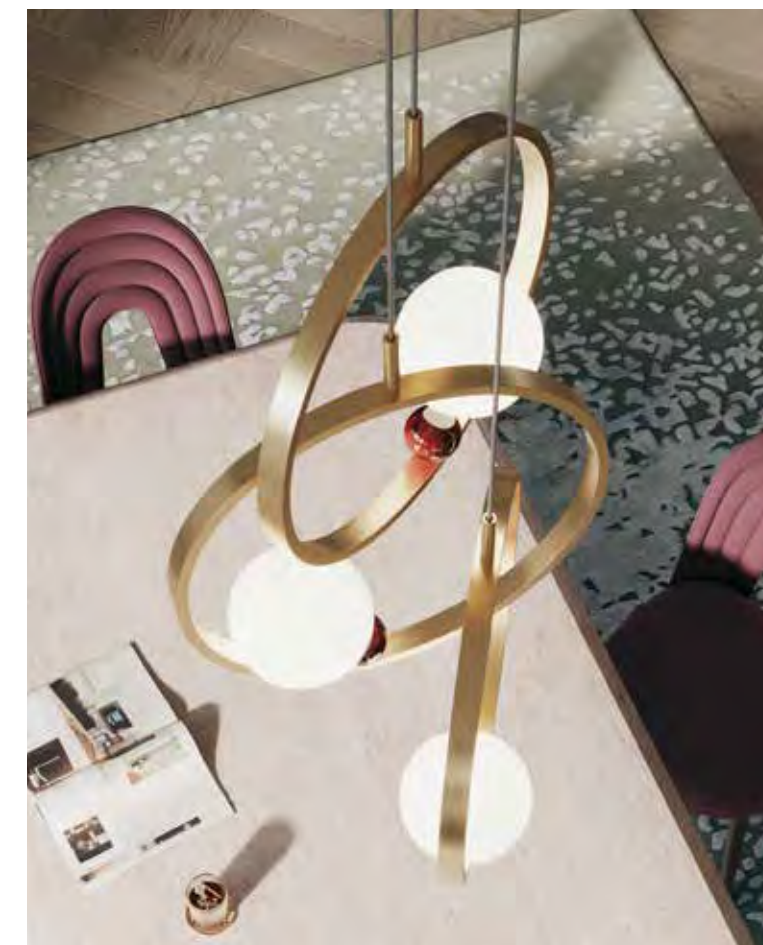

La composizione Joy nasce dal tema di dare corpo alla luce. La lampada è composta da tre anelli in ottone, ad altezza variabile, e sfere in vetro soffiato satinato bianco opaco (sfera grande) e rosso amaranth trasparente (sfera piccola) magicamente sospese all'interno della struttura metallica sottile. Un gioco di masse e di traiettorie circolari genera un disegno bilanciato di dinamiche gravitazionali. La luce emanata dalle sfere si diffonde sullo spazio circostante e irraggia il telaio. I riflessi dell'ottone contribuiscono a rendere l'atmosfera ancora più sofisticata e onirica.

Disponibile la versione a un anello e a tre anelli.

Joy composition was born from the idea of giving form to light. The lamp is composed of three brass rings, with variable height, and spheres in hand-blown white satin glass (big sphere) and Amaranth see-through, (small sphere) magically suspended within a thin metal structure. The play of circular masses and trajectories generates a balanced design of gravitational dynamics. The light from the sphere is diffused into the surrounding space, illuminating the frame. The reflections of the brass render the luminous field visible by its aura.

Available versions: one ring, three rings.

Fair Light

Fair Light è un corpo illuminante da parete costituito da un doppio binario di tubolari in metallo finitura nero opaco con diffusore in policarbonato opalino. La struttura di ancoraggio alla parete, che incorpora il driver, è in metallo finitura bronzo ottone opaco. L'apparecchio può essere montato sia in verticale che in orizzontale garantendo alla sorgente luminosa lineare un'ampia capacità di espressione, fornendo allo spazio energia e carattere.

Fair Light is a wall light fitting consisting of a double track made of black matt metal tubular elements with opal polycarbonate diffuser. The structure that anchors it to the wall incorporates the driver and is made of matt bronzed brass finished metal. The light can be fitted vertically or horizontally, guaranteeing the linear light source a broad capacity of expression, conveying energy and character to the room.

Stellantis

Stellantis è una scultura luminosa sospesa, immaginata per diventare il centro focale dell'ambiente. Suggestiva e poetica, è composta da sei coni in vetro con sfumatura metallizzata bronzo - realizzati su misura dai maestri vetrai di Murano - fissati su un'asta verticale in ottone. Illuminati da sorgente a LED, gli elementi in vetro diffondono nell'ambiente riflessi cangianti con un effetto espressivo e scenografico. Anche dimmerabile.

Stellantis is a suspended light sculpture, designed to become the focal point of the environment. Suggestive and poetic, it is a composition of six glass cones with a metallic bronze shade - custom made by Murano glass masters - fixed on a vertical brass rod. Illuminated by a LED source, the glass elements diffuse iridescent reflections into the environment with an expressive and scenographic effect. Also dimmable.

Venus

Venus diventa un elemento scenografico capace di rendere con la sua suggestiva lavorazione ogni ambiente ricco di una sofisticata luminosità.
È composto da un ricco bouquet di elementi metallici a sezione semicircolare e stecche in vetro di murano in cristallo con inclusioni di scaglie oro 24 KT, posti ad altezze sfalsate e raccolti in una fascia metallica luminosa di forma circolare o ovale, trattata con particolare finitura oro opaco a più strati.

Venus is a cinematic element which makes every space rich with a sophisticated brilliance thanks to its suggestive manufacturing.
It consists of a rich bouquet of semicircular section metallic elements and Murano glass slats including gold 24 KT flakes, placed at staggered heights and collected in an oval or circular metal band, treated with special finish matt gold.

Wave

Il lampadario Wave è realizzato con una struttura in metallo di forma ovale, con una speciale finitura oro opaco, che accoglie gli elementi in vetro borosilicato a sezione triangolare di diverse altezze creando un effetto onda lungo tutto il perimetro. All'interno del perimetro curviforme è posizionata una piastra illuminante con struttura in metallo e pannello in policarbonato opalino che diffonde la luce.

The Wave chandelier is made of an oval-shaped metal structure, with a special matt gold finish, which houses the borosilicate glass elements in triangular section of different heights creating a wave effect along the entire perimeter. Inside the curviform perimeter there is a lighting plate with a metal structure and an opal polycarbonate panel that diffuses the light.

Roulette

Lampada a sospensione di forma cilindrica composta da una struttura in metallo finitura bronzo con paralume interno/esterno in tessuto color avorio, al suo interno è alloggiata una moderna sorgente led. Il paralume è impreziosito esternamente da una fascia esterna rivestita con prezioso tessuto in fibra naturale di colore bronzo scuro, intrecciata manualmente.

Cylindrical shaped suspension lamp composed of a metal structure with a bronze metal finish and an inner/outer shade in ivory-coloured fabric, within which a modern LED light source is housed. The lampshade is embellished externally by a band covered with a fine, hand-woven natural fibre fabric of a dark bronze colour.

Colette & Hugo

Dalla maestria degli artigiani vetrai di Murano nasce questa amabile coppia di lampade da tavolo. Ne viene proposto un ensemble per enfatizzare la perfetta armonia di forma e stile, amabili tuttavia anche singolarmente per conferire un tocco sofisticato a qualsiasi tipo di ambientazione. La base è a forma di goccia, realizzata in vetro di Murano con all'interno polvere d'oro 24 KT in sospensione, e paralume in tessuto percale realizzato artigianalmente, Hugo, più compatta, ha una forma piena e morbida ed un cappello cilindrico, mentre Colette è slanciata e leggermente più alta, con un paralume rastremato.

Thanks to the Murano glass hand craftsmanship virtuosity, a lovely couple of table lamp has appeared. This ensemble emphasizes the perfect shape and style harmony that can be appreciated also in their singularity in order to give a sophisticated touch to every kind of set. The drop-shape base is made of Muranese glass enclosing a 24 KT golden leaf, the lampshade is in a hand made fabric percale. Hugo, more compact, has a full and soft shape and a cylindrical lampshade; otherwise, Colette is slim and a bit higher with a tapered lampshade.

Nettuno Table

Coppia di lampade da tavolo che completa la collezione Nettuno (tavolo, desk e coffee table). Il corpo in vetro scanalato a mano ha forma di parallelepipedo e viene presentato di colore e altezze diverse. Il corpo più slanciato è di colore rosa antico, mentre quello più compatto è di color pagliesco, entrambi reggono un portalampada con due lampadine E27.

Il paralume in tessuto percale color avorio, l'accensione a catenella e il cavo di alimentazione in tessuto color oro contribuiscono a creare una silhouette calda e sofisticata. Entrambi i modelli possono essere realizzati in color rosa antico o pagliesco. È disponibile in due dimensioni.

Pair of table lamps that complete the Nettuno collection (table, desk and coffee table). The body in hand-grooved glass in the shape of a parallelepiped is presented in different colours and heights. The more slender body is in antique pink, while the more compact body is straw-coloured; both are fitted with a lamp holder for two E27 bulbs.

The ivory-coloured percale fabric lampshade, the chain-style pull-cord and the gold-coloured fabric power supply cable contribute to creating a warm and sophisticated silhouette. Both lamps can be made in antique pink or straw-coloured glass. It is available in two sizes.

Ambra Table

Ambra è l'abat-jour ideale per creare dei caldi ed eleganti punti luce in salotti, camere padronali e raffinate suite. Questa lampada è composta da un'asta in ottone con finitura bronzo ottone opaco nella quale sono inseriti e ruotano dischi in lucite alternati a metallo che creano un sofisticato gioco di trasparenze e riflessi di luci. Ambra è completata nella parte superiore da un prezioso cappello in tessuto misto viscosa col. crema, impreziosito ai bordi da un'elegante passamaneria in tinta.

Ambra is the ideal table lamp to create warm and elegant lighting points in lounges, master bedrooms and elegant suites. It comprises a brass rod with a matt bronzed brass finish on which lucite rotating discs alternate with metal, creating a sophisticated transparency and light reflection. Ambra is finished with an exquisite lampshade in viscose blended fabric col. cream, enriched at the edges with precious coordinated braid.
