**Euroluce  
is the expression  
of centuries  
of Italian tradition  
for the harmony  
of things  
done well.**

I wish  
I could touch  
the light,  
but I can't.  
I can  
only admire  
its beauty.

# i motivi del successo

---

La nostra storia è la storia della passione per il made in Italy fin dall'inizio, da quando, cioè, eravamo una piccola ma dinamica e innovativa realtà nel settore dei lampadari e dell'illuminazione. Una passione che si rinnova giorno dopo giorno e che trova conferma nei successi delle nuove collezioni e nella pluridecennale fiducia dei nostri amici clienti. Ma il vero segreto del successo è legato al fattore umano e all'importante know-how che hanno saputo costruire i nostri artigiani, i nostri tecnici, i nostri creatori. Se le nostre collezioni palpitano di luce, se la luce non è soltanto un elemento tecnico ma suscita emozioni, se i lampadari sono ambasciatori di bellezza, se le sospensioni, le appliques, le piantane, i lumi mostrano un'anima, è a loro che dobbiamo essere riconoscenti.

THE REASONS BEHIND OUR SUCCESS. Ours is a story of passion for the Italian manufacturing sector, right since the start, when we were just a small but dynamic and innovative company working in the lighting sector and making light fittings. That passion is renewed day by day, and is confirmed by the success of the new collections and by decades of loyalty of our clients, who are also our friends. But the real secret to our success is linked to the human factor and to the extensive know-how that our craftsmen, technicians and creative staff have succeeded in building. If our collections pulse with light, if light goes beyond being a technical element to arouse emotions, if light fittings are ambassadors of beauty, if suspension lights, wall lights, standard lamps and spots have a soul, then it is to them that we must be grateful.

**ПРИЧИНЫ УСПЕХА.** Наша история - это история об увлечении к made in Italy с самого начала, с тех пор, когда мы были небольшой, но динамичной и инновационной реальностью в промышленности освещения. День за днём обновленное увлечение, подтверждаемое успехами новых коллекций и многолетним доверием наших клиентов, наших друзей. Но самый реальный секрет нашего успеха связан с важным человеческим фактором, know-how наших мастеров, наших техников, наших дизайнеров. Если наши коллекции излучают свет не только как технический элемент, но и как источник эмоций, если люстры являются посланниками красоты, если светильники, бра, торшеры, лампы изъясляют душу, это только благодаря нашим мастерам.

# DELY

Finitura: oro lucido, oro satinato, nichel nero lucido.  
Altre finiture su richiesta.

Colori: la collezione Dely è disponibile nei colori trasparente, rosaline, effetto sheen, ottanio. Altri colori su richiesta.

Particolari: lampadario composto da braccetti in metallo alternati a braccetti in vetro. I Braccetti in metallo sono realizzati artigianalmente su disegno. I Braccetti in vetro, i bicchieri in vetro con effetto balloton, la coppa in vetro, il centrale in vetro composto da poliedri e, il finale goccia balloton sono realizzati da maestri vetrai e sono Made in Veneto. La collezione è arricchita con cilindretti pieni in ottone. La versione Dely Shade vede la sostituzione del bicchiere in vetro balloton con un paralume cilindrico realizzato a mano e con tessuto personalizzabile. Paralume CIL 70/97 modello cilindro D. 8 cm x H 14 cm con tessuto effetto raso stropicciato rosa antico. Altri paralumi su richiesta.

*\*Per qualsiasi richiesta o differente versione non esitate a contattarci.*

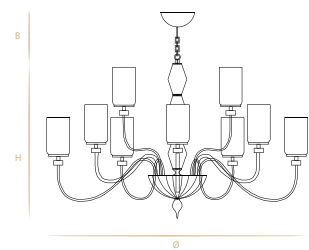

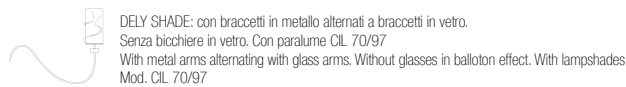

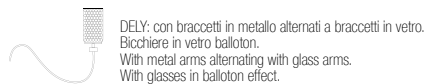

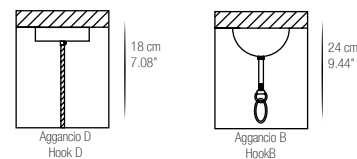

Finish: shiny gold, satin gold, shiny black nickel.  
Other finishes on request.

Colors: the Dely collection is available in transparent color, Rosaline color, sheen effect color and teal blue color. Other colors on request.

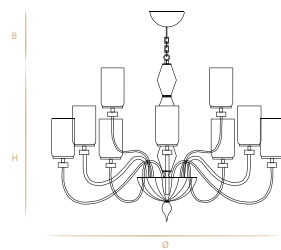

Details: the chandelier is made up of alternating metal and crystal arms. The metal arms are realized handmade on our drawing. The glass arms, the crystal glasses with ballonet effect, the glass cup, the glass central part made up of polyhedra and the final drop ballonet are made in Veneto by master glassmakers. The collection is embellished with decorative brass bushings. In the Dely shade version instead of the glasses with ballonet effect there are cylindrical handmade lampshades with customisable fabric. The lampshade in photos is mod. CIL 70/97, diameter 8 cm x H 14 with antique pink wrinkled satin effect fabric. Other lampshades on request. \*Do not hesitate to contact us for any request or different version.

Aggancio con cavo di alimentazione (D) - Hook with power cord (D)  
L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con rosone e cavo di alimentazione H minima 18 cm - 7.08".  
The height of the chandeliers is calculated by excluding the hook. Hook with the ceiling cap and power cord has the minimum height 18 cm- 7.08".

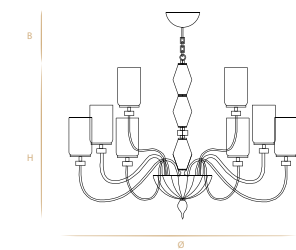

Aggancio con catena (B) - Hook with chain (B)  
L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con rosone e catena H minima 24 cm - 9.44".  
The height of the chandeliers is calculated by excluding the hook. Hook with the ceiling cup and chain has the minimum height 24 cm - 9.44".

Colori: la collezione Denise è disponibile nei colori trasparente, rosaline, effetto sheen, ottanio. Altri colori su richiesta.

Particolari: la collezione Denise è composta solo da braccetti in vetro. I Braccetti in vetro, i bicchieri in vetro con effetto ballotton, la coppa in vetro, il centrale in vetro composto da poliedri e, il finale goccia ballotton sono realizzati da maestri vetrai e sono Made in Veneto. La collezione è arricchita con cilindretti pieni in ottone.

La versione Denise Luxury è arricchita con dettagli che abbracciano i cilindretti in ottone e sono realizzati artigianalmente, decorati in oro 24 K e impreziositi con pietre.

\*Per qualsiasi richiesta o differente versione non esitate a contattarci.

Finish: shiny gold, satin gold, shiny black nickel.  
Other finishes on request.

Colors: the Denise collection is available in transparent color, Rosaline color, sheen effect color and teal blue color. Other colors on request.

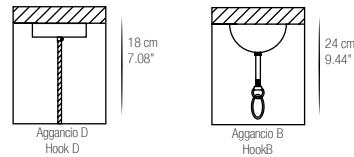

Details: the Denise collection is made up only of crystal arms. The glass arms, the crystal glasses with balloton effect, the glass cup, the glass central part made up of polyhedra and the final drop balloton are made in Veneto by master glassmakers. The collection is embellished with decorative brass bushings.

The Denise Luxury version is also embellished with details around the brass bushing. These details are handmade, decorated in 24 K gold and enriched with stones.

\*Do not hesitate to contact us for any request or different version.

Aggancio con cavo di alimentazione (D) - Hook with power cord (D)  
L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con resone e cavo di alimentazione H minima  
18 cm - 7.08".  
The height of the chandeliers is calculated by excluding the hook. Hook with the ceiling cup and power cord has  
the minimum height 18 cm - 7.08".

Aggancio con catena (B) - Hook with chain (B)  
L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con rosone e catena H minima 24 cm - 9.44".  
The height of the chandeliers is calculated by excluding the hook. Hook with the ceiling cup and chain has the minimum height 24 cm - 9.44".

# RIFLESSI

Finitura: nichel nero. Altre finiture su richiesta.

Colori: i pendenti sfere sono trasparenti; i pendenti a puntale nei colori Verde Yncanto o rubino. Altri colori su richiesta.

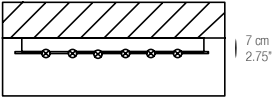

Particolari: Forme personalizzate su nostro disegno.  
Arricchito con pendenti sfere Scholer. I pendenti a puntale dalla forma personalizzata sono made in Veneto. Riflessi è già disponibile nelle configurazioni e misure indicate nei disegni. Non esitate a contattarci per differente richiesta. Verrà realizzato un progetto esclusivo che si adatti al meglio ai vostri spazi e soddisfi le Vostre esigenze.  
\*Per qualsiasi richiesta o differente versione non esitate a contattarci.

Finish: black nichel. Other finishes on request.

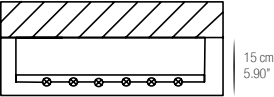

Colors: the Sphere pendants are in transparent color. The tip pendants are in Green Yncanto color or ruby color. Other colors on request.

Details: Shapes are produced handmade on our drawing.  
Riflessi is embellished with Scholer sphere pendants . The tip pendants with a personalized shape are made in Veneto.  
Riflessi is already available with shapes and sizes as technical drawings.  
Don't hesitate to contact us for any request or different size. We will create an exclusive project for your spaces and for your needs.  
\*Do not hesitate to contact us for any request or different version.

Aggancio con scatola in metallo con luci (H)  
Hook with metallic box with lights (H)  
L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con scatola in metallo a soffitto ancorata con staffa H minima 7 cm – 2.75".  
Sulla scatola sono posizionate le luci per illuminare la sospensione.  
The height of the chandeliers is calculated by excluding the hook. Hook with the metal box and the bracket has the minimum height 7 cm – 2.75".  
On the metal box there are the lights to illuminate the suspension.

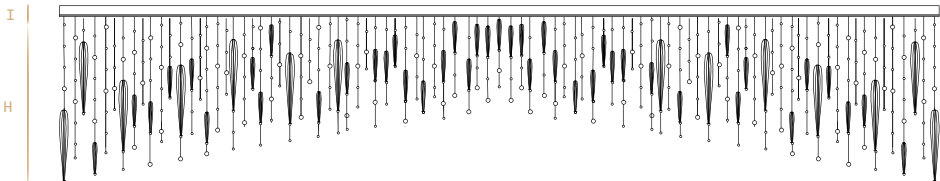

Aggancio H  
Hook H

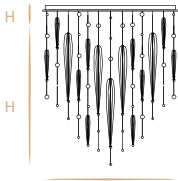

Aggancio I  
Hook I

Aggancio con scatola in legno con luci (I)  
Hook with wooden box with lights (I)  
L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con scatola in legno a soffitto H minima 15 cm – 5.90". Sulla scatola sono posizionate le luci per illuminare la sospensione.  
The height of the chandeliers is calculated by excluding the hook. Hook with the wooden box has the minimum height 15 cm – 5.90". On the wooden box there are the lights to illuminate the suspension.

## EUROLUCE: I MOTIVI DEL SUCCESSO

La nostra storia è la storia della passione per il made in Italy fin dall’inizio, da quando, cioè, eravamo una piccola ma dinamica e innovativa realtà nel settore dei lampadari e dell’illuminazione. Una passione che si rinnova giorno dopo giorno e che trova conferma nei successi delle nuove collezioni e nella pluridecennale fiducia dei nostri amici clienti.

Ma il vero segreto del successo è legato al fattore umano e all’importante know-how che hanno saputo costruire i nostri artigiani, i nostri tecnici, i nostri creatori. Se le nostre collezioni palpitano di luce, se la luce non è soltanto un elemento tecnico ma suscita emozioni, se i lampadari sono ambasciatori di bellezza, se le sospensioni, le appliques, le piantane, i lumi mostrano un’anima, è a loro che dobbiamo essere riconoscenti.

---

**THE REASONS BEHIND OUR SUCCESS.** Ours is a story of passion for the Italian manufacturing sector, right since the start, when we were just a small but dynamic and innovative company working in the lighting sector and making light fittings. That passion is renewed day by day, and is confirmed by the success of the new collections and by decades of loyalty of our clients, who are also our friends. But the real secret to our success is linked to the human factor and to the extensive know-how that our craftsmen, technicians and creative staff have succeeded in building. If our collections pulse with light, if light goes beyond being a technical element to arouse emotions, if light fittings are ambassadors of beauty, if suspension lights, wall lights, standard lamps and spots have a soul, then it is to them that we must be grateful.

---

**ПРИЧИНЫ УСПЕХА.** Наша история - это история об увлечении к made in Italy с самого начала, с тех пор, когда мы были небольшой, но динамичной и инновационной реальностью в промышленности освещения. День за днём обновленное увлечение, подтверждаемое успехами новых коллекций и многолетним доверием наших клиентов, наших друзей. Но самый реальный секрет нашего успеха связан с важным человеческим фактором, know-how наших мастеров, наших техников, наших дизайнеров. Если наши коллекции излучают свет не только как технический элемент, но и как источник эмоций, если люстры являются посланниками красоты, если светильники, бра, торшеры, лампы изъясляют душу, это только благодаря нашим мастерам.

---

**成功原因。**从一开始，我们的历史也是对意大利制造的热情的历史，那时，我们还是一家小型企业，但充满活力和创新精神，在灯具和照明领域经营。日复一日，我们的激情从未减退，由此带来新产品系列的成功以及与客户伙伴之间长达数十年的信任关系。但是，真正的成功秘诀与人力因素密切相关，同时也来自于我们的手工艺人、技术人员、创意师所累计起来的大量经验技艺。如果我们的产品系列为光而震颤，如果光不仅仅是一个技术要素、更是激情迸发的源泉，如果灯具是美的使节，如果吊灯、壁灯、落地灯、台灯展现了一个灵魂，那么我们应当感谢的就是他们。

| <p>Finitura: Verniciato Bianco ghiaccio opaco. Altre finiture su richiesta.</p> <p>Colori: Bianco satinato. Altri colori su richiesta.</p> <p>Particolari: Iceberg è un'idea firmata Euroluce Light of Italy &amp; "Studio In Project". Il braccetto, i cilindri, i pendenti, i tubi centrali ed altre componenti in vetro sono prodotti in Veneto e sono realizzati con effetto "corteccia", per ricreare la superficie irregolare del ghiaccio. Le componenti in metallo sono minimali per rendere il vetro protagonista della collezione. Per continuità con il concetto del ghiaccio, Iceberg è proposto nel colore trasparente satinato, decorazione made in Veneto, mentre i pendenti sono volutamente lasciati trasparenti. È possibile richiedere differente decorazione.</p> <p>Ω Per qualsiasi richiesta o differente versione non esitate a contattarci.<br/>Ω Per finiture vetri, finiture metalli e colore cristalli vedere da pag. 458 a 467.</p> |  | <p>Finish: Painted Ice White matt. Other finishes on request.</p> <p>Colors: Satin white. Other colors on request.</p> <p>Details: Iceberg is an idea designed by Euroluce Light of Italy &amp; "Studio In Project". Arms, cylinders, pendants, central tubes and other glass components are produced in Veneto and are made with "cortex" effect to recreate the irregular ice surface. Metal components are minimal to make the glass protagonist of the collection. For continuity with the concept of ice, Iceberg is proposed in transparent satin color, decoration made in Veneto, while the pendants are deliberately left transparent. It is possible to request a different decoration.</p> <p>Ω For any request or different version please contact us.<br/>Ω For glass finishes, metal finishes and crystals color see from pag. 458 to 467.</p> |  |                                                                                                                                                                                            |  |                                                                                                                                                                              |  |

| <div>Finitura: Black nickel. Shiny gold. 24K.<br/>Other finishes on request</div> <div>Colori: OTTANIO / FUMÉ: Alternati elementi in vetro colore ottanio e elementi in vetro color fumé.<br/>VINTAGE: Elementi in vetro trasparente con lavorazione effetto vintage.<br/>Altri colori su richiesta.</div> <div>Particolari: Mov è un'idea firmata Euroluce Light of Italy &amp; "Studio In Project" ed è realizzato sapiente-<br/>mente in Italia, da esperti artigiani.<br/>È costituito da elementi in vetro dalla forma romboidale made in Toscana, collegati fra loro da snodi in<br/>ottone che ne consentono il movimento.<br/>Il sistema di aggancio elementi, il braccetto in ottone, la scatola in metallo e ogni singola parte di Mov<br/>sono state studiate, sperimentate e<br/>realizzate ad hoc per questo progetto. La decorazione degli elementi in vetro è made in Veneto. Prevista<br/>decorazione ottanio / fumé tradizionale o altri colori su richiesta. La novità è l'effetto vintage, sempre<br/>made in Veneto che consiste in una decorazione materica, in un mix fra colore e polveri, percepibili al<br/>tatto e visivamente. Il depositarsi delle polveri crea prodotti unici, diversi fra loro.<br/>È possibile richiedere effetto vintage colorato.</div> <div>Ω Per qualsiasi richiesta o differente versione non esitate a contattarci.<br/>Ω Per finiture vetri, finiture metalli e colore cristalli vedere da pag. 458 a 467.</div> |  | <div>Finish: Black nickel. Shiny gold. 24K.<br/>Other finishes on request</div> <div>Colors: OTTANIO / FUMÉ: Alternating glass elements in ottanio color and glass elements in fumé color.<br/>VINTAGE: Glass elements in transparent color with vintage effect.<br/>Other colors on request.</div> <div>Details: Mov is designed by Euroluce Light of Italy &amp; "Studio In Project" and it is made expertly in Italy,<br/>by skilled craftsmen.<br/>It is made of rhomboidal glass elements made in Tuscany, linked together by brass joints that allow<br/>movement.<br/>The elements fastening system, brass arm, metal box, and every single part of Mov have been studied,<br/>experimented and realized especially for this project. The decoration of the glass elements is made in<br/>Veneto. Available decoration in ottanio / fumé or other colors on request.<br/>The novelty is the vintage effect, always made in Veneto that consists of a material decoration, in a mix<br/>of color and powder, perceptible to the touch and visually.<br/>Powder deposition creates unique, different products.<br/>It is possible to request a colored vintage effect.</div> <div>Ω For any request or different version please contact us.<br/>Ω For glass finishes, metal finishes and crystals color see from pag. 458 to 467.</div> |  |
| <div>Aggancio con catena (B) - Hook with chain (B)<br/>L'altezza dei lampadari è calcolata escludendo l'aggancio. Aggancio con rosone e catena H minima 24 cm - 9.44".<br/>The height of the chandeliers is calculated by excluding the hook. Hook with the ceiling cup and chain has the minimum<br/>height 24 cm - 9.44".</div> <div><div>24 cm<br/>9.44"</div><div>Aggancio B<br/>Hook B</div></div>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |  |

# ELEGANCE

passione per il made in Italy

Vorrei tanto  
poter toccare la luce  
ma non posso.  
Devo ammirarne  
solo la bellezza.

I wish I could touch the light,  
but I can't.  
I can only admire  
its beauty .

euroluce®  
lampadari  
passione per il made in Italy

Da vent'anni la nostra passione è il made in Italy.  
Passione che si rinnova giorno dopo giorno.  
Passione che trova conferma nei successi delle nostre collezioni e  
nella decennale fiducia dei nostri amici clienti.  
Le nostre collezioni sono ideate, disegnate, progettate ed  
interamente prodotte in Italia. Ogni singolo prodotto ha dentro di sé il prestigio  
dello "stile italiano".  
Ogni singolo prodotto è realizzato con oggetti in ottone, cristallo e original  
Swarovski® ed è arricchito da preziosi elementi fatti a mano.  
Entrate nel nostro mondo e potrete ammirare la bellezza della "luce".

Since twenty years our passion is "made in Italy".  
Passion that is renewed day by day.  
Passion that is confirmed by the success of our collections and  
in the ten-year trust of our customers friends.  
Our collection are invented, designed, created and produced entirely in Italy.  
Each product has within himself the prestige of the "Italian style".  
Each product is made with brass objects, and original Swarovski® crystal and it is  
decorated with precious handcrafted details.  
Enter in our world and admire the beauty of the "light".

Вот уже двадцать лет мы посвящаем себя с любовью  
“made in Italy”.  
Посвящение, которое обновляется с каждым днём.  
Посвящение, подтверждаемое успехом наших коллекций и  
десятилетним доверием наших клиентов друзей.  
Наши коллекции задуманы, спроектированы, разработаны и  
изготовлены полностью в Италии.  
Каждое изделие носит в себе престиж “итальянского стиля”.  
Каждое изделие производится с элементами из латуни, хрустала  
и оригинальных Сваровски, и украшены драгоценными  
детальями ручной работы.  
Войдите наш мир и полюбуйтесь красотой “euroluce”.

Tanti colori per suscitare interesse,  
tante sfumature per raccontarsi,  
un solo obiettivo:  
dare forma alla luce.

Many colours to arouse interest,  
many nuances to tell themselves,  
only one goal:  
to shape the light.

La completa versatilità dei nostri prodotti, grazie all'artigianalità del nostro lavoro made in Italy, consente ai clienti la possibilità di modificare, secondo il proprio gusto o la propria esigenza ogni prodotto presente nel catalogo. Le modifiche possono riguardare i colori del cristallo, le finiture metalliche, i paralumi, il numero di luci, i pendenti o i preziosi elementi fatti a mano. A pag. 524 potrete vedere alcuni esempi di colori, finiture, pendenti o paralumi proposti ma è possibile qualsiasi altra modifica contattando direttamente la nostra azienda.

The complete versatility of our products, thanks to handmade work made in Italy, gives to the customers the possibility to change each product from our catalog according to their taste or their every need. Changes might include the colours of the crystal, metal finishes, lampshades, the number of lights, pendants or decorative handmade elements. At page 524 you will see some examples of proposed colours, finishes, pendants or lampshades, but it is possible any other changes contacting our company.

Полная универсальность наших изделий, благодаря ручной работе, сделанной в Италии, даёт заказчикам возможность изменить по своему вкусу и потребностям каждую модель из каталога. Изменения могут относиться к цвету стекла, металлической отделке, абажурам, количеству лампочек, подвескам или декоративным элементам ручной работы. На странице 524 вы увидите некоторые примеры предложенных цветов, отделки, подвесков или абажуров, но возможны и другие изменения, обратившись в нашу компанию.

# AXIS SYSTEM

AXIS SYSTEM nasce come sospensione rettangolare a moduli, adattabile a tutte le collezioni presenti nel catalogo. Le ipotesi illustrative che abbiamo inserito sono solo alcune delle svariate combinazioni possibili.

AXIS SYSTEM è un sistema a cui possono essere adattate tutte le nostre collezioni.

AXIS SYSTEM, infatti, può avere differenti moduli (8L, 10L, 12L, 14L) che possono essere combinati fra loro ed assumere diverse forme. L'attacco elettrico a soffitto da un unico punto consente, inoltre, l'elettificazione di tutto il sistema senza la necessità di spostare l'effettivo punto luce o crearne di nuovi.

Scegliete la collezione Euroluce Lampadari che preferite, indicateci l'ambiente da illuminare e noi provvederemo a progettare con voi la sospensione AXIS più idonea alle vostre esigenze.

Non esitare a contattarci per ulteriori info.

AXIS SYSTEM is created as rectangular suspension with modules, adaptable to all the collections in the catalog. The examples we have included are just few of the many possible combinations.

AXIS SYSTEM is a system that can be adapted to all our collections.

AXIS SYSTEM, in fact , can have different modules (8L, 10L, 12L, 14L) that can be combined together and take different forms. The electrical connection to the ceiling, from a single point also allows the electrification of the whole system, without the need to move the actual light point or create new ones .

Choose a collection Euroluce Lampadari that you prefer, indicating the ambience to be illuminated and we'll plan with you the suspension AXIS most suitable to your needs .

Do not hesitate to contact us for more info.
